Start 2011 with a thoughtful look into tolerance and diversity with Lambda Legal and the Museum of Tolerance New York.

Join us for a guided tour of the Museum of Tolerance's state-of-the-art facility. Learn more about how we each react to discrimination with the museum's interactive exhibits presenting real world examples of bullying and discrimination.

The evening will conclude with a wine and hors d'oeuvres reception featuring a brief presentation by Lambda Legal's Deputy Legal Director Hayley Gorenberg and Museum Director Dr. Michelle Hartman.

Don't miss out on this unique evening. Visit www.lambdalegal.org/free-to-be to RSVP today!
